Sharon coordinates much of the activity surrounding worship and music, which are two large, highly active ministry areas at LOPC. In support of worship, Sharon assists with creative planning, bulletin design and production, development of visual art (including use of new media), and the integration of children, youth, and adults in worship leadership. In support of music, Sharon coordinates logistics, generates supporting materials, shepherds lay involvement, and lends her voice in Festival and Chamber choirs. She has been singing and volunteering in the Music Department for over eight years, having served as Worship Elder Choir President, and Concert Coordinator. She's also served the church in various other volunteer roles, such as Mt. Hermon All-Church Retreat Chair, Oktoberfest Co-Chair, and Youth Advisor for four youth mission trips.
